

Convention Chatter 2006 - Sunday

Convention Sunday & Summary

There were banners and medals and trophies and plaques. No, this was not a world championship, but the closing events at convention 2006.

Jurisdictional MC Dave seems to be saying, "Freeze everything, this weekend is ending too soon and we're still having fun"

Brendan delivered an excellent message while leading the morning's Devotional service.

Awards

EO Bill Millett congratulates Anders for capturing a Chapter award for paint ball target shooting for Crusader Chapter.

Awards Continued

There were many individual awards, but for the most part, our summary will focus on team awards

Members of Phil Drader shared the Best Chapter award. Can teamwork be this much fun?

Capital City members hold their second place banner.

Convention is Unconventional

Stan B. Cassidy received the Chapter' Best Spirit Award. We'll chalk Dave's expression up as pride.

This team comprised of Anders – Nova Scotia, Tom – New Hampshire and Dad Jason of Maine accepts their sport medals. Dad Tim of New Brunswick missed this photo opportunity.

Convention Is Unconventional

You saw on the previous page that one sports team, even included an advisor (a younger one, mind you.) To encourage maximum participation, many larger chapter teams were multi-chapter. It worked out super, with more foes becoming friends.

Traditional Pie Eating Contest - 2005

Pie 2006: Chris receives a special award from EO Bill as the DeMolay rumored to have eaten the most pies stored in a fridge when this contest missed the schedule both Friday and Saturday. Pies were coconut cream. Second and third place awards were also presented.

Advisors

Dads Roberts, Palmer and Kimball “If we could see with these dark glasses on, they probably would have asked us to officiate”.

DeMolays

“I can’t wait till next year when they come up with other great and challenging events like putting on bumpy pavement.”

**“It was all part of the
The FOOD,
The FUN
The FELLOWSHIP.”**

All Good things must come to a pause
...until our next DeMolay time together.
